A HISTORY OF GROWTH

In 1914, the future was bleak for children living in the isolated mountain areas of northwestern South Carolina. With no schools near their homes, many were faced with the probability of a life of poverty and illiteracy. Motivated by a desire to improve the quality of life in this region and a commitment by their organization to aid education, the South Carolina Daughters of the American Revolution voted to establish a school "in a place remote, yet accessible, where the need was greatest" and with the help of the surrounding community and businesses, Tamassee DAR School was founded in 1919.

Over the years, Tamassee DAR School has served countless children in need of a home, love and an education. These children come with great need and deficiency stemming from poverty, neglect, and abuse. We have made it our mission to ensure healthy development, promote well-being, and establish lasting bonds with caring adults.

WHO WE ARE

Tamassee DAR School is a non-profit children's home and family service organization located in Oconee County, SC. Year round service is provided for up to 68 children in our Residential Program, 60 children in our After Care Program, and 54 children in our on-campus day care facility. We have developed an array of programs and services tailored to the needs of our children. Our services include life skills training, counseling, mentoring, the arts, sports, and improving access to higher education; things that we feel hold promise for improving their lives.

Sustainers of Hope

Barbara is a retired school teacher and lives on a budget. Part of her budget is to give a monthly donation of \$15 (\$180 a year) as a Tamassee Faithful member. Barbara knows that her gift is used wisely for the children and that Tamassee DAR

School has made it affordable, easy and secure to make a great gift using her credit card while maintaining her budget.

Angela loves Tamassee DAR School and its mission. She enjoys giving, but she always felt like her one-time a year gift was just not meaningful enough, annually.

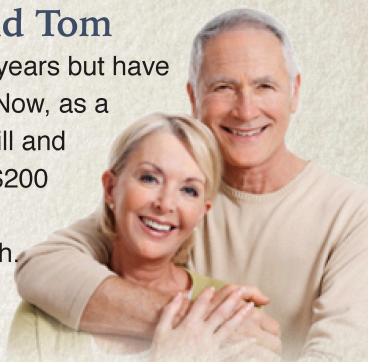

Understanding how the Tamassee Faithful program works, Angela decided that she could give more by contributing \$25 per month (\$300 per year) using her credit card. Supporting the children of Tamassee is something that Angela loves to do and by having her credit run securely once a month by Tamassee DAR School it is convenient and easy.

Jill and Her Husband Tom

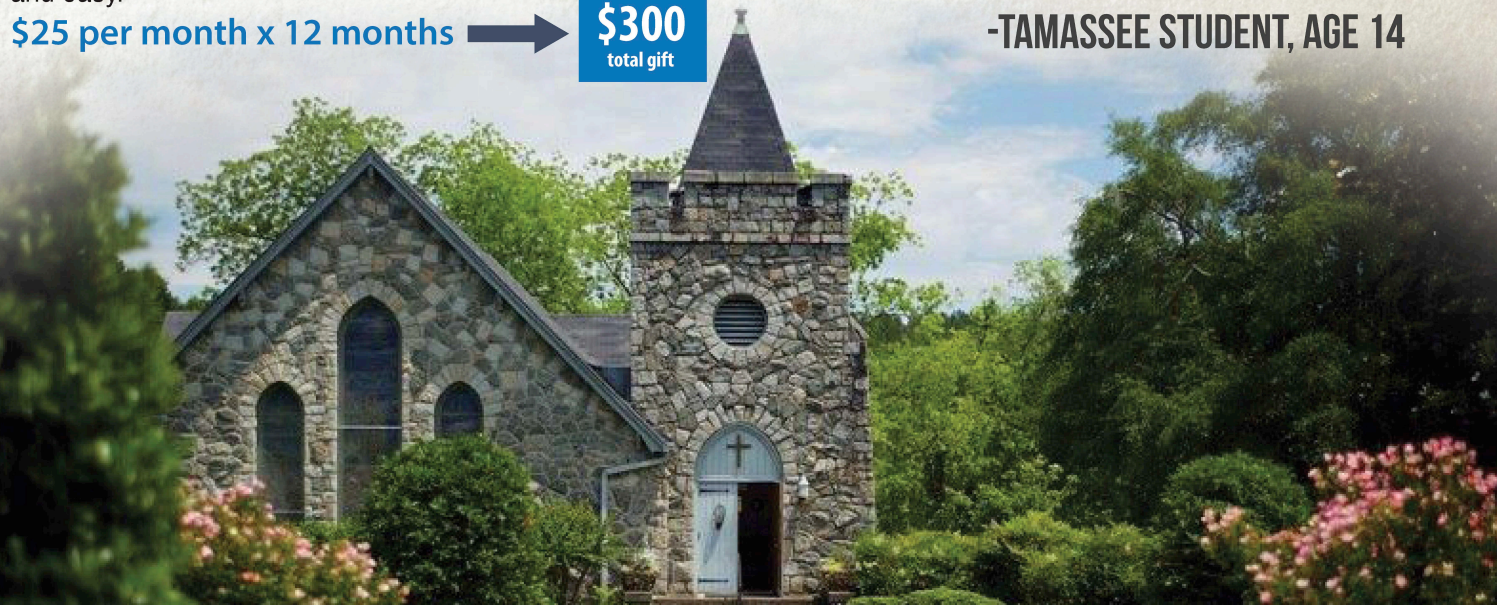

have been annual donors for years but have always wanted to give more. Now, as a Tamassee Faithful member, Jill and Tom have signed up to have \$200 automatically deducted from their bank account each month. Jill and Tom are thrilled that they can now give \$2,400 annually, spread out over 12 months. Through this wonderful program, they have doubled their one-time per year annual gift, which now qualifies them to be recognized in the Tamassee Angels Giving Society at the Boarding Club level.
