Recovery Program
Volunteer & Project Opportunities

As we think about the value community members can add to the program and the lives of the moms and children we serve, we think of you.   Your involvement with our families gives them a sense of community, and the understanding that they lives matter and a whole world of positive relationships and friends await them.

Won't you consider volunteering with a group or as an individual to spend time mentoring, coaching, and encouraging our mothers toward success. **YOU can change a life!**

Volunteer Opportunities for individuals or groups:

Host a life skills party on campus i.e. teach a mother how to cook your favorite Friday Night dinner and enjoy a movie or board game night with the family.

Host a BBQ dinner and enjoy good 'ol fashion fun on our playground, or in our Activity Center with our families.

Lead a regularly scheduled **bible study** class for our moms and/or the children.

Share your **craft skills** -- Teach our moms to sew, crochet, draw, bake, cook, etc…

Establish and lead a **book club** with our moms.

Lead an **enrichment activity** for moms and/or the children i.e. musical instrument, dance class, more.

Teach a life skill i.e. computer 101, checkbook balancing, creating grocery shopping lists and the value of couponing, dressing for success
