

## Painless Giving

You can support Tamassee while shopping! With a few easy steps you can turn your next grocery store trip or online shopping cart into rewards and donations for our educational and Starlight Programs.

## Who We Are

Founded in 1919 by the Daughters of the American Revolution, Tamassee DAR School is a nationally accredited, non-profit organization with a rich history of educating and caring for children. **We believe every child can achieve their dreams and become an exceptional citizen.**

## Our Programs

**Starlight at Tamassee** offers a two year, faith-infused, family-centered, therapeutic community with holistic, evidence-based, trauma-informed services for children and mothers in recovery.

Our **Early Childhood Learning Program** stimulates cognitive and social-emotional learning in infants through 4 year olds to prepare them for kindergarten and a life-long love of learning.

**Starlight Academy** serves elementary age children whose mothers are in the Starlight community to catch up in school and develop socially and emotionally.

Our **Afterschool & Summer Program** for K to 8th graders supports students to excel academically, empowers them to develop as young citizens, offers an array of enrichment activities, and develops their coping and resiliency skills.
