

Painless Giving

You can support Tamassee while shopping! With a few easy steps you can turn your next grocery store trip or online shopping cart into rewards and donations for our educational and Starlight Programs.

Who We Are

Founded in 1919 by the Daughters of the American Revolution, Tamassee DAR School is a nationally accredited, non-profit organization with a rich history of educating and caring for children. **We believe every child can achieve their dreams and become an exceptional citizen.**

Our Programs

Starlight at Tamassee offers a two year, faith-infused, family-centered, therapeutic community with holistic, evidence-based, trauma-informed services for children and mothers in recovery.

Our **Early Childhood Learning Program** stimulates cognitive and social-emotional learning in infants through 4 year olds to prepare them for kindergarten and a life-long love of learning.

Starlight Academy serves elementary age children whose mothers are in the Starlight community to catch up in school and develop socially and emotionally.

Our **Afterschool & Summer Program** for K to 8th graders supports students to excel academically, empowers them to develop as young citizens, offers an array of enrichment activities, and develops their coping and resiliency skills.
