

Gift-In-Kind Donors

Gift-in-kind donors give supplies and goods Tamassee needs to operate on a daily basis. These gifts relieve Tamassee's budgeted expenses and allow us to focus our resources on direct services to children and moms. Donors receive an acknowledgement letter for tax purposes and a thank you card for their gifts.

Who We Are

Founded in 1919 by the Daughters of the American Revolution, Tamassee DAR School is a nationally accredited, non-profit organization with a rich history of educating and caring for children. **We believe every child can achieve their dreams and become an exceptional citizen.**

Our Programs

Starlight at Tamassee offers a two year, faith-infused, family-centered, therapeutic community with holistic, evidence-based, trauma-informed services for children and mothers in recovery.

Our **Early Childhood Learning Program** stimulates cognitive and social-emotional learning in infants through 4 year olds to prepare them for kindergarten and instill a life-long love of learning.

Starlight Academy serves elementary age children whose mothers are in the Starlight community to catch up in school and develop socially and emotionally.

Our **Afterschool & Summer Program** for K to 8th graders supports students to excel academically, empowers them to develop as young citizens, offers an array of enrichment activities, and develops their coping and resiliency skills.
